UMRAH PLUS EXPERIANCES

THE HOLIEST CITY IN ISLAM

Umrah is sometimes considered the "lesser pilgrimage", in that it is not compulsory, but is still highly recommended. It is generally able to be completed in a few hours, in comparison to Hajj, which may take a few days. It is also not meant to be interpreted as a substitute for Hajj. However, both are demonstrations of the solidarity of the Muslim people, and their submission to Allah (God).
